Item of Form (identify)	Answer
ID	<p>UNFCU Financial Advisors (the “Registrant”) is an investment adviser providing financial planning, consulting, and investment management services to individuals, pension and profit sharing plans, banks, trusts, estates, charitable organizations, corporations and business entities. The Registrant, depending upon the engagement, offers its services on a fee basis which may include hourly and/or fixed fees as well as fees based upon assets under management. Prior to engaging the Registrant to provide any of the foregoing investment advisory services, the client will be required to enter into one or more written agreements with the Registrant setting forth the terms and conditions under which the Registrant shall render its services (collectively the “Agreement”).</p> <p>The Registrant may provide its clients with a broad range of comprehensive financial planning and consulting services (which may include non-investment related matters). The Registrant will charge a fixed fee and/or hourly fee for these services. The Registrant’s financial planning and consulting fees are negotiable, but generally range from \$1,000 to \$15,000 on a fixed fee basis and/or from \$250 to \$350 on an hourly rate basis, depending upon the level and scope of the services and the professional rendering the financial planning and/or the consulting services. If the client engages the Registrant for additional investment advisory services, the Registrant may offset all or a portion of its fees for those services based upon the amount paid for the financial planning and/or consulting services.</p> <p>Prior to engaging the Registrant to provide financial planning and/or consulting services, the client will generally be required to enter into a written agreement with the Registrant setting forth the terms and conditions of the engagement and describing the scope of the services to be provided and the portion of the fee that is due from the client prior to the Registrant commencing services. Generally, the Registrant requires one-half of the financial planning / consulting fee (estimated hourly or fixed) payable upon entering the written agreement. The balance is generally due upon delivery of the financial plan or completion of the agreed upon services. Either party may terminate the agreement by written notice to the other. In the event the client terminates the Registrant’s financial planning and/or consulting services, the balance of the Registrant’s unearned fees (if any) shall be refunded to the client. If termination occurs within five business days of entering into an agreement for such services the client shall be entitled to a full refund.</p> <p>In performing its services, the Registrant shall not be required to verify any information received from the client or from the client’s other professionals (e.g., attorney, accountant, etc.) and is expressly authorized to rely on such information. The Registrant may recommend the services of itself and/or other professionals to implement its recommendations. Clients are advised that a conflict of interest exists if the Registrant recommends its own services. The client is under no obligation to act upon any of the recommendations made by the Registrant under a financial planning / consulting engagement and/or engage the services of any such recommended professional, including the Registrant itself. The client retains absolute discretion over all such implementation decisions and is free to accept or reject any of the Registrant’s recommendations. Moreover, each client is advised that it remains his/her/its responsibility to promptly notify the Registrant if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing, evaluating, or revising the Registrant’s previous recommendations and/or services.</p> <p>In the event the client determines to engage the Registrant to provide investment management services, the Registrant shall do so on a fee basis. If engaged, the Registrant shall charge an annual fee based upon a percentage of the market value of the assets being managed by the Registrant. As discussed in response to Item 12B (below), the Registrant’s annual fee is exclusive of, and in addition to brokerage commissions, transaction fees, and other related costs and expenses which shall be incurred by the client. However, the Registrant shall not receive any portion of these commissions, fees, and costs.</p> <p>The Registrant will offer three levels of investment management services, the Advisor Model, the Systematic Investment Model and Custom Investment Management. The Registrant’s annual</p>

investment management fee for accounts in the Advisor Model and Systematic Investment Model shall vary depending upon the market value of the assets under management, as follows:

Advisor Model:

The Advisor Model is a full service investment management program which includes significant contact with clients.

<u>PORTFOLIO VALUE</u>	<u>ANNUAL FEE</u>
up to \$99,999	1.25%
\$100,000 - \$249,999.....	1.10%
\$250,000 - \$999,999.....	1.00%
\$1,000,000 - \$4,999,999.....	0.85%
above \$5,000,000	negotiable

The minimum portfolio size for the Advisor Model is \$10,000 and the minimum annual fee is \$125. The Registrant's annual fee for the Advisor Model shall be prorated and charged quarterly, in arrears, based upon the market value of the assets on the last day of the previous quarter.

Systematic Investment Model:

The Systematic Model allows smaller clients to utilize the Registrant's investment management services. Clients complete an online questionnaire regarding their financial background including, but not limited to, income, assets, liabilities, investment goals, risk tolerances, and investment time horizons. Based upon the information provided, the Registrant will recommend the optimal asset allocation for the client.

<u>PORTFOLIO VALUE</u>	<u>ANNUAL FEE</u>
up to \$19,999	1.50%
\$20,000 - \$49,999.....	1.30%
\$50,000 - \$99,999.....	0.80%
\$100,000 - \$249,999.....	0.40%
\$250,000 - \$999,999.....	0.30%
\$1,000,000 - \$4,999,999.....	0.25%
above \$5,000,000	negotiable

There is a one-time set up fee of \$15 charged to every account in the Systematic Investment Model. The minimum portfolio size is \$2,000 for the Systematic Investment Model. There is no minimum annual fee for the Systematic Investment Model. The Registrant's annual fee shall be prorated and charged quarterly, in arrears, based upon the market value of the average daily balance of the assets during the previous quarter.

Custom Investment Model:

The Registrant shall also provide comprehensive investment management services to institutions. Because of the diverse nature of these services, fees shall be negotiated with each client depending upon a number of factors, including the market value of the assets under management and the type of services to be provided.

The Registrant, in its sole discretion, may negotiate to charge a lesser management fee based upon certain criteria (i.e., anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, account composition, pre-existing client, account retention, *pro bono* activities, etc.).

The Registrant offers advice on each type of investment described in Part II of Form ADV (Item 3). However, the Registrant intends to primarily allocate its client's investment management assets, on a discretionary and/or a non-discretionary basis among mutual funds, exchange traded funds, individual debt securities and *Independent Managers* (as defined below) in accordance with the investment objectives of the client.

As further discussed in response to Item 12B (below), the Registrant shall generally recommend that clients utilize the brokerage and clearing services of a broker-dealer for investment management accounts.

The Registrant may only implement its investment management recommendations after the client has arranged for and furnished the Registrant with all information and authorization regarding accounts

with appropriate financial institutions. Financial institutions shall include, a broker-dealer recommended by the Registrant, broker-dealer directed by the client, trust companies, banks etc. (collectively referred to herein as the “*Financial Institution(s)*”).

Clients may incur certain charges imposed by the *Financial Institution(s)* and other third parties such as custodial fees, charges imposed directly by a mutual fund or exchange traded fund in the account, which shall be disclosed in the fund’s prospectus (e.g., fund management fees and other fund expenses), deferred sales charges, odd-lot differentials, transfer taxes, wire transfer and electronic fund fees, and other fees and taxes on brokerage accounts and securities transactions. Additionally, for assets outside of any wrap fee programs, clients may incur brokerage commissions and transaction fees. Such charges, fees and commissions are exclusive of and in addition to the Registrant’s fee.

The Registrant’s *Agreement* and/or the separate agreement with the *Financial Institution(s)* may authorize the Registrant through the *Financial Institution(s)* to debit the client’s account for the amount of the Registrant’s fee and to directly remit that management fee to the Registrant in accordance with applicable custody rules. The *Financial Institution(s)* recommended by the Registrant have agreed to send a statement to the client, at least quarterly, indicating all amounts disbursed from the account including the amount of management fees paid directly to the Registrant.

The Registrant may also recommend that certain clients authorize the active discretionary management of a portion of their assets by and/or among certain independent investment manager(s) either directly or through a wrap fee program (“*Independent Manager(s)*”), based upon the stated investment objectives of the client. The terms and conditions under which the client shall engage the *Independent Manager(s)* shall be set forth in separate written agreements between (1) the client and the Registrant and (2) the client and the designated *Independent Manager(s)* and/or wrap fee program sponsor. The Registrant shall continue to render advisory services to the client relative to the ongoing monitoring and review of account performance, for which the Registrant shall receive an annual advisory fee which is based upon a percentage of the market value of the assets being managed by the designated *Independent Manager(s)*. Factors that the Registrant shall consider in recommending *Independent Manager(s)* include the client’s stated investment objective(s), management style, performance, reputation, financial strength, reporting, pricing, and research. The investment management fees charged by the designated *Independent Manager(s)*, together with the fees charged by the wrap fee program sponsor and corresponding designated broker-dealer/custodian of the client’s assets, may be exclusive of, and in addition to, the Registrant’s investment advisory fee set forth above. As discussed above, the client may incur additional fees than those charged by the Registrant, the designated *Independent Manager(s)*, wrap fee program sponsor (if applicable), and corresponding broker-dealer and custodian.

In addition to the Registrant’s written disclosure statement, the client shall also receive the written disclosure statement of the designated *Independent Manager(s)* and wrap fee program sponsor (if applicable). Certain *Independent Manager(s)* may impose more restrictive account requirements and varying billing practices than the Registrant. In such instances, the Registrant may alter its corresponding account requirements and/or billing practices to accommodate those of the *Independent Manager(s)* or wrap fee program sponsor.

If the Registrant refers a client to certain *Independent Manager(s)* where the Registrant’s compensation is included in the advisory fee charged by such *Independent Manager(s)* and the client engages those *Independent Manager(s)*, the Registrant shall be compensated for its services by receipt of a fee to be paid directly by the *Independent Manager(s)* to the Registrant in accordance with the requirements of Rule 206(4)-3 of the Investment Advisers Act of 1940, as amended, and any corresponding state securities laws, rules, regulations, or requirements. Any such fee shall be paid solely from the *Independent Manager(s)* investment management fee or the program fee of the wrap fee program (as appropriate), and shall not result in any additional charge to the client.

The Registrant also may render non-discretionary investment management services to clients relative to: (1) variable life/annuity products that they may own, and/or (2) their individual employer-sponsored retirement plans. In so doing, the Registrant either directs or recommends the allocation of client assets among the various mutual fund subdivisions that comprise the variable life/annuity product or the retirement plan. The client assets shall be maintained at either the specific insurance company that issued the variable life/annuity product which is owned by the client, or at the custodian designated by the sponsor of the client’s retirement plan.

The client may make additions to and withdrawals from the account at any time, subject to the Registrant's right to terminate an account. Clients may withdraw account assets on notice to the Registrant, subject to the usual and customary securities settlement procedures. However, the Registrant designs its portfolios as long-term investments and assets withdrawals may impair the achievement of a client's investment objectives.

For the initial quarter of investment management services, the first quarter's fees shall be calculated on a *pro rata* basis. The *Agreement* between the Registrant and the client will continue in effect until terminated by either party pursuant to the terms of the *Agreement*. The Registrant's annual fee shall be prorated through the date of termination and any remaining balance shall be charged or refunded to the client, as appropriate, in a timely manner.

Additions may be in cash or securities provided that the Registrant reserves the right to liquidate any transferred securities, or decline to accept particular securities into a client's account. The Registrant may consult with its clients about the options and ramifications of transferring securities. However, clients are advised that when transferred securities are liquidated, they are subject to transaction fees, fees assessed at the mutual fund level (i.e. contingent deferred sales charge) and/or tax ramifications.

The Registrant's clients are advised to promptly notify the Registrant if there are ever any changes in their financial situation or investment objectives or if they wish to impose any reasonable restrictions upon the Registrant's management services.

Neither the Registrant nor the client may assign the *Agreement* without the consent of the other party. Transactions that do not result in a change of actual control or management of the Registrant shall not be considered an assignment.

A copy of the Registrant's privacy policy notice and a written disclosure statement that meets the requirements of Rule 204-3 of the Investment Advisers Act of 1940, as amended ("Advisers Act"), shall be provided to each client prior to or contemporaneously with the execution of the *Agreement*. Any client who has not received a copy of the Registrant's written disclosure statement at least forty-eight (48) hours prior to executing the *Agreement* shall have five (5) business days subsequent to executing the agreement to terminate the Registrant's services without penalty.

The Registrant may vote proxies on behalf of its clients. When the Registrant accepts such responsibility, it will only cast proxy votes in a manner consistent with the best interest of its clients. Absent special circumstances, which are fully- described in the Registrant's Proxy Voting Policies and Procedures, all proxies will be voted consistent with guidelines established and described in the Registrant's Proxy Voting Policies and Procedures, as they may be amended from time-to-time. At any time, clients may contact the Registrant to request information about how Registrant voted proxies for that client's securities or to get a copy of the Registrant's Proxy Voting Policies and Procedures. A brief summary of the Registrant's Proxy Voting Policies and Procedures is as follows:

- The Registrant has formed a Proxy Voting Committee that will be responsible for monitoring corporate actions, making voting decisions in the best interest of clients, and ensuring that proxies are submitted in a timely manner.
- The Proxy Voting Committee will generally vote proxies according to the Registrant's then current Proxy Voting Guidelines. The Proxy Voting Guidelines include many specific examples of voting decisions for the types of proposals that are most frequently presented, including: composition of the board of directors; approval of independent auditors; management and director compensation; anti-takeover mechanisms and related issues; changes to capital structure; corporate and social policy issues; and issues involving mutual funds.
- Although the Proxy Voting Guidelines are to be followed as a general policy, certain issues will be considered on a case-by-case basis based on the relevant facts and circumstances. Since corporate governance issues are diverse and continually evolving, the Registrant shall devote an appropriate amount of time and resources to monitor these changes.
- In situations where there may be a conflict of interest in the voting of proxies due to business or personal relationships that the Registrant maintains with persons having an interest in the outcome of certain votes, the Registrant will take appropriate steps to ensure that its proxy voting decisions are made in the best interest of its clients and are not the product of such

The Registrant may also provide advisor-assisted insurance services through Income Solutions®, an annuity purchase program. A conflict of interest exists to the extent that the Registrant or its <i>Advisory Affiliates</i> recommend the purchase of insurance products where the Registrant or its <i>Advisory Affiliates</i> receive insurance commissions or other additional compensation.</p>
8C(3)	<p>The Registrant is under common control with its UNFCU Advisors GmbH, an investment adviser located in and registered in Austria. Certain Principals, <i>Advisory Affiliates</i>, and investment management personnel of the Registrant also serve in the same or similar capacity for UNFCU Advisors GmbH. The Registrant may recommend, on a fully-disclosed basis, the investment advisory services of UNFCU Advisors GmbH.</p>
8C(6)	<p>Registrant is under common control with United Nations Federal Credit Union, a federal credit union. Registrant may recommend United Nations Federal Credit Union to its clients to fulfill their banking needs. However, clients must be eligible to become members of United Nations Federal Credit Union and are advised that any such referral is an inherent conflict of interest due to the common ownership among the companies.</p>
9E	<p>The Registrant and persons associated with the Registrant (“Associated Persons”) are permitted to buy or sell securities that it also recommends to clients consistent with the Registrant’s policies and procedures.</p> <p>The Registrant has adopted a code of ethics that sets forth the standards of conduct expected of its associated persons and requires compliance with applicable securities laws (“<i>Code of Ethics</i>”). In accordance with Section 204A of the Advisers Act, its <i>Code of Ethics</i> contains written policies reasonably designed to prevent the unlawful use of material non-public information by the Registrant or any of its associated persons. The <i>Code of Ethics</i> also requires that certain of the Registrant’s personnel (called “<i>Access Persons</i>”) report their personal securities holdings and transactions and obtain pre-approval of certain investments such as initial public offerings and limited offerings. Clients may contact the Registrant to request a copy of its <i>Code of Ethics</i>.</p> <p>Unless specifically permitted in the Registrant’s <i>Code of Ethics</i>, none of the Registrant’s <i>Access Persons</i> may effect for themselves or for their immediate family (i.e., spouse, minor children, and adults living in the same household as the <i>Access Person</i>) any transactions in a security which is being actively purchased or sold, or is being considered for purchase or sale, on behalf of any of the Registrant’s clients.</p> <p>When the Registrant is purchasing or considering for purchase any security on behalf of a client, no <i>Access Person</i> may effect a transaction in that security prior to the completion of the purchase or until a decision has been made not to purchase such security. Similarly, when the Registrant is selling or considering the sale of any security on behalf of a client, no <i>Access Person</i> may effect a transaction in that security prior to the completion of the sale or until a decision has been made not to sell such security. These requirements are not applicable to: (i) direct obligations of the Government of the United States; (ii) money market instruments, bankers’ acceptances, bank certificates of deposit, commercial paper, repurchase agreements and other high quality short-term debt instruments, including repurchase agreements; (iii) shares issued by mutual funds or money market funds; and (iv) shares issued by unit investment trusts that are invested exclusively in one or more mutual funds.</p>
10	<p>As further discussed in response to Item 1D (above), the Registrant provides investment supervisory services, management of investment advisory accounts, and financial planning services. As a condition for starting and maintaining a relationship, the Registrant shall generally impose a minimum portfolio size of \$10,000 and minimum annual fee of \$125 for portfolios in the Advisor Model. The Registrant, in its sole discretion, may accept clients with smaller portfolios and/or waive the minimum fee based upon certain criteria including anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, account composition, pre-existing client, account retention, and <i>pro bono</i> activities. The Registrant shall only accept clients with less than the minimum portfolio size if, in the sole opinion of the Registrant, the smaller portfolio size will not cause a substantial increase of investment risk beyond the client’s identified risk tolerance. The Registrant may aggregate the portfolios of family members to meet the minimum portfolio size.</p> <p>Additionally, certain <i>Independent Manager(s)</i> may impose more restrictive account requirements and</p>

11A	<p>For those clients to whom the Registrant provides investment management services, the Registrant monitors those portfolios as part of an ongoing process while regular account reviews are conducted on at least a quarterly basis. For those clients to whom the Registrant provides financial planning and/or consulting services, reviews are conducted on an “as needed” basis. Such reviews are conducted by the firm’s Principals, Stephen J. Ryerson and/or Christopher J. Sullivan, and/or the Registrant’s investment adviser representatives under their supervision. All investment advisory clients are encouraged to discuss their needs, goals, and objectives with the Registrant and to keep the Registrant informed of any changes thereto. The Registrant shall contact ongoing investment advisory clients at least annually to review its previous services and/or recommendations and to discuss the impact resulting from any changes in the client’s financial situation and/or investment objectives.</p>
11B	<p>Unless otherwise agreed upon, clients are provided with transaction confirmation notices and regular summary account statements directly from the broker-dealer or custodian for the client accounts.</p> <p>Those clients to whom the Registrant provides financial planning and/or consulting services may receive reports from the Registrant summarizing its analysis and conclusions as requested by the client or otherwise agreed to in writing by the Registrant.</p>
12A, 12B and 13A	<p>Please see the previous responses set forth on this Schedule F to Item 1D.</p> <p>Except as provided for in any applicable wrap fee program, the brokerage commissions and/or transaction fees charged by the broker-dealer custodian recommended by Registrant or any other designated broker-dealer are exclusive of and in addition to the Registrant’s fee.</p> <p>Factors which the Registrant considers in recommending a broker-dealer to clients include its respective financial strength, reputation, execution, pricing, research, and service. The commissions and/or transaction fees charged by the broker-dealer recommended by Registrant be higher or lower than those charged by other broker-dealers.</p> <p>The commissions paid by the Registrant’s clients shall comply with the Registrant’s duty to obtain “best execution.” However, a client may pay a commission that is higher than another qualified broker-dealer might charge to effect the same transaction where the Registrant determines, in good faith, that the commission is reasonable in relation to the value of the brokerage and research services received. In seeking best execution, the determinative factor is not the lowest possible cost, but whether the transaction represents the best qualitative execution, taking into consideration the full range of a broker-dealer’s services, including among others, the value of research provided, execution capability, commission rates, and responsiveness. Consistent with the foregoing, while the Registrant will seek competitive rates, it may not necessarily obtain the lowest possible commission rates for client transactions.</p> <p>If the client requests the Registrant to arrange for the execution of securities brokerage transactions for the client’s account, the Registrant shall direct such transactions through broker-dealers that the Registrant reasonably believes will provide best execution. The Registrant shall periodically and systematically review its policies and procedures regarding recommending broker-dealers to its client in light of its duty to obtain best execution.</p> <p>The client may direct the Registrant in writing to use a particular broker-dealer to execute some or all transactions for the client. In that case, the client will negotiate terms and arrangements for the account with that broker-dealer, and the Registrant will not seek better execution services or prices from other broker-dealers or be able to “batch” client transactions for execution through other broker-dealers with orders for other accounts managed by the Registrant (as described below). As a result, the client may pay higher commissions or other transaction costs or greater spreads, or receive less favorable net prices, on transactions for the account than would otherwise be the case. Subject to its duty of best execution, the Registrant may decline a client’s request to direct brokerage if, in the Registrant’s sole discretion, such directed brokerage arrangements would result in additional operational difficulties.</p> <p>Transactions for each client generally will be effected independently, unless the Registrant decides to purchase or sell the same securities for several clients at approximately the same time. The Registrant</p>

	<p>may (but is not obligated to) combine or “batch” such orders to obtain best execution, to negotiate more favorable commission rates, or to allocate equitably among the Registrant’s clients differences in prices and commissions or other transaction costs that might have been obtained had such orders been placed independently. Under this procedure, transactions will generally be averaged as to price and allocated among the Registrant’s clients pro rata to the purchase and sale orders placed for each client on any given day. To the extent that the Registrant determines to aggregate client orders for the purchase or sale of securities, including securities in which the Registrant’s <i>Advisory Affiliate(s)</i> may invest, the Registrant shall generally do so in accordance with applicable rules promulgated under the Advisers Act and no-action guidance provided by the staff of the U.S. Securities and Exchange Commission. The Registrant shall not receive any additional compensation or remuneration as a result of the aggregation. In the event that the Registrant determines that a prorated allocation is not appropriate under the particular circumstances, the allocation will be made based upon other relevant factors, which may include: (i) when only a small percentage of the order is executed, shares may be allocated to the account with the smallest order or the smallest position or to an account that is out of line with respect to security or sector weightings relative to other portfolios, with similar mandates; (ii) allocations may be given to one account when one account has limitations in its investment guidelines which prohibit it from purchasing other securities which are expected to produce similar investment results and can be purchased by other accounts; (iii) if an account reaches an investment guideline limit and cannot participate in an allocation, shares may be reallocated to other accounts (this may be due to unforeseen changes in an account’s assets after an order is placed); (iv) with respect to sale allocations, allocations may be given to accounts low in cash; (v) in cases when a pro rata allocation of a potential execution would result in a <i>de minimis</i> allocation in one or more accounts, the Registrant may exclude the account(s) from the allocation; the transactions may be executed on a pro rata basis among the remaining accounts; or (vi) in cases where a small proportion of an order is executed in all accounts, shares may be allocated to one or more accounts on a random basis.</p> <p>Consistent with obtaining best execution, brokerage transactions may be directed to certain broker-dealers in return for investment research products and/or services which assist the Registrant in its investment decision-making process. Such research generally will be used to service all of the Registrant’s clients, but brokerage commissions paid by one client may be used to pay for research that is not used in managing that client’s portfolio. The receipt of investment research products and/or services as well as the allocation of the benefit of such investment research products and/or services poses a conflict of interest.</p> <p>The Registrant may receive from the broker-dealer, without cost to the Registrant, computer software and related systems support, which allow the Registrant to better monitor client accounts maintained at the broker-dealer. The Registrant may receive the software and related support without cost because the Registrant renders investment management services to clients that maintain assets at the broker-dealer.</p> <p>Specifically, the Registrant may receive the following benefits from the broker-dealer: receipt of duplicate client confirmations and bundled duplicate statements; access to a trading desk that exclusively services its registered investment adviser participants; access to block trading which provides the ability to aggregate securities transactions and then allocate the appropriate shares to client accounts; and access to an electronic communication network for client order entry and account information.</p>
13B	<p>If a client is introduced to the Registrant by either an unaffiliated or an affiliated solicitor, the Registrant may pay that solicitor a referral fee in accordance with the requirements of Rule 206(4)-3 of the Advisers Act and any corresponding state securities law requirements. Any such referral fee shall be paid solely from the Registrant’s investment management fee, and shall not result in any additional charge to the client. If the client is introduced to the Registrant by an unaffiliated solicitor, the solicitor shall provide the client with a copy of the Registrant’s written disclosure statement which meets the requirements of Rule 204-3 of the Advisers Act and a copy of the solicitor’s disclosure statement containing the terms and conditions of the solicitation arrangement including compensation. Any affiliated solicitor of the Registrant shall disclose the nature of his/her relationship to prospective clients at the time of the solicitation and will provide all prospective clients with a copy of the Registrant’s written disclosure statement at the time of the solicitation.</p>
